## Keynote Speaker

Paul Vitale has become one of America's most sought-out speakers and trainers by using his unique combination of excitement, energy, and experience to encourage and motivate others. For almost twenty years, Paul has impacted individuals and organizations, imparting an understanding of the leadership and determination required to excel. Paul helps his clients build strong teams speaking about the significance of optimism, a strong work ethic, and concepts vital to personal and professional growth. Paul's energetic and enjoyable presentation style has made him a favorite at countless universities, meetings, conventions, seminars, and conferences.
