

THE GLOBAL ORPHAN PROJECT

transforming lives through orphan care

Orphan Sunday – November 2nd

In 2002 an American businessman sat in a little church in Kalingalinga, Zambia. He listened intently to Pastor Billiance Chondwe, a local pastor, whose heart had been stirred by the plight of the orphans in the local community. On that day — which Pastor Billiance had given the name “**Orphan Sunday**” — he called his congregation to care for the orphans in their midst. “No matter how little we have,” he reminded, “All of us have a gift to give.” Here is where Orphan Sunday first began.*

Today, twelve years later, we are still celebrating Orphan Sunday around the world. We invite you to bring attention to the orphan this Sunday, and pray for children around the world and in your own community who need family.

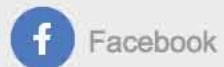

If you're in the Kansas City area, come hear from our partner Pastor Peter Maseko from Malawi. He will be preaching at Colonial Presbyterian Church's Quivira campus at 8:00 AM and 9:15 AM, and the Wornall campus at 10:45 AM. [Click here for more details>>](#)
