

Peak Performance U—9 Essential Skills for the Workplace is a powerful online course that develops the critical skills that students need to succeed in the workforce. Driven by videos from industry leaders and sports icons, supplemented by rigorous worksheets and activities, the course covers 81 topics recognized by business and industry as necessary for a student’s workplace success.

Local Education Agencies (LEA) can take advantage of this interactive, in-depth course for an affordable yearly licensing fee (per school campus, unlimited seats). *Call 228.324.6204 for special pricing.*

Contact our office via email at PeakPU@mattbirkandcompany.com or by phone to secure your license and discuss the potential **Peak Performance U** can bring to your students and school!

**When purchasing a license, school administrators will be given written instructions on course set-up and management. License fee includes unlimited users per school campus/LEA.*
